

*"How beautiful it is to
Live among the people that
God has called us to."*

Today I had something so meaningful happened. I needed some help in the ministry and I realized that the women that came to help me we some of our 4th generation of Christians.

We presented the gospel to her great grand mother. She shared the gospel with her children and raised them Christian. One of her children became a pastors wife. One of her children showed up to help me today. So, right before me I had 4 generations of the fruit of our labor over the last 47 years in Panama. How beautiful it is to live among the people that God has called us to. To be blessed to see the fruit of your labor is amazing.

In the Ministry the greatest blessing is the ministry of helps. We have plenty of teachers and ministers but none of that would be possible without the people that make it happen. Buildings have to be maintained and grass mowed etc.

For some reason people do not think they are in Full time ministry unless they are the preacher. This is an age old issue. Paul addresses it in 1 Cor 12. We are to honor each position God puts us in because we all need each other to get the job done. I am so grateful for these ladies who took time out of their schedules to come and help me. What a blessing it was!
