

*A man's greatest need is to
receive words of affirmation.*

Several years ago, I attended a women's conference where they taught that a man's greatest need is to receive words of affirmation. With this in mind, I put together and hosted a men's conference for the men here in the Darien. Having found this to be validated, there is something profoundly touching to see a man cry when he is prayed for.

A huge thank you to Goodness Family Church in Tucson, Arizona for sending Pastor John Smith and Gabe Nosco to hold a men's conference. The men who attended the conference had a life changing experience. God heard the cry of their heart and refreshed them with His word.

Praise ye the LORD.
O give thanks unto
the LORD; for he is good:
for his mercy
endureth for ever.

Children Reaching Children

This is Sofia. Her father is the pastor of our church in Puerto Lara. Determined to be my personal assistant, she attends every conference. She stays by my side, patiently awaiting any instruction I may give her. After the conference, she stays to help me clean up. I love the relationship I have with this generation of the church here.

Prayer Requests

- Please keep my health in your prayers.
- Keep the students and their teachers in their prayers.
- Pray for unity in the churches. Disunity and chaos is one of the wiles of the enemy to undermine the church's affect.
