

*One of our greatest strengths
in the ministry is our outreaches.*

Pastor Armando our pastor in puerta Lara is an accountant for the government. They send him all over Panama to check on the financial books of the government. He is discipling a young couple who is raising up a new church. He and his wife love pouring their lives into young converts. He made a comment recently about how rewarding it is to see people grow in the wisdom of Gods word.

His wife Lubiana was elected to be the voice for women in their village. The people who elected her were not christians. It was for the testimony that she and her husband have in the community. They have 5 children. 4 have graduated from college and have good jobs. They are very strong Christians. Their youngest is only 7 but she is a very good student in school.

Praise ye the LORD.
O give thanks unto
the LORD; for he is good:
for his mercy
endureth for ever.

Ministry Needs

Jason went with me to purchase the ministries new truck. He really got us a great deal. We were able to put a down payment on a 2027 truck for the same price as the 2026. We have to wait for one month to get the truck. We have \$27000.00 to put towards the truck but we lack a little to be able to pay cash. We got the very basic but it was \$38000.00. This included insurance and taxes. Any thing you can do to help make up the difference would be greatly appreciated.

No matter what season of life you find yourself in He is always there alongside of you.

Children Reaching Children

We have a large outreach to youth and children. Several of the children come from drug infested homes. They are so faithful to come to church. Several families in the church provide meals and a safe place to stay when their homes are not safe to return for the night. The church pays for their schooling and even send them to college if that is their dream. It's so rewarding to see them today as engineers or a school teacher etc.

Prayer Requests

Please keep my health in your prayers. I have been having issues with skin cancer on my face. Please pray for our son Jason. He is the administrador of the radio station. He is really gifted in putting together beautiful songs and programs on social media. As you know the greatest challenge in ministry is people skills. He is doing great but it can get very challenging at times.

Please pray for Gods wisdom in something Jason has on his heart. He would like to create a program on the radio for our youth. He would also like to train them to work in the ministry.
