

*He loves to feel needed by His children.
The more we need and depend on Him the more
He reveals Himself to you.*

Twice a month we have a conference to teach and encourage pastors and leaders. These conference are taught by seasoned pastors from different countries. They are in depth studies of the Bible. They also teach practical ministries to help them to reach out to hurting people. Having someone come along side of you when you have a crisis means the world to them.

Praise ye the LORD.
O give thanks unto
the LORD; for he is good:
for his mercy
endureth for ever.

Psalms 106:1

Ministry Needs

Thank you so much for the replacement of our refrigerator. What a blessing.

Thank you so much for the money to purchase a new small truck.

The one I want cost \$30,000.00 I have enough to purchase it.

Then I need to purchase license and insurance. After that I can bring it home and put it to work.

No matter what season of life you find yourself in He is always there alongside of you.

Children Reaching Children

We have a large outreach to youth and children. Several of the children come from drug infested homes. They are so faithful to come to church. Several families in the church provide meals and a safe place to stay when their homes are not safe to return for the night. The church pays for their schooling and even send them to college if that is their dream. It's so rewarding to see them today as engineers or a school teacher etc.

Prayer Requests

- *Please keep my health and energy in your prayers.*
- *Wisdom in the many decisions I have to make on a regular basis.*
- *Please pray that people will come here to help me.*
- *Please pray that construction groups will come to help me with maintenance on ministry buildings. Radio station, mission house, conference building etc I need help.*
