

the
Greatist gift
 that
 we can
Give
 is our time.

Christmas always reminds us of the love of God. Love that compelled Him to give his life to save us, to provide and watch over us, to make sure they are safe and in good health. As a parent we can relate to the love of a parent for their children. When they are crying or suffering we want to make everything okay for them. We watch over them all the days of their lives.

When Jesus gave His life, it was to multiply Himself. Through faith in Him, we can reach out to every person alive and introduce them to the Fathers' love.

The greatest gift that we can give is our time. One hour of our time means more than any gift that we can afford.

Everywhere Jesus went He always noticed hurting people. He took time out of his busy world to show how much He cared. Life is crazy but most of the things we think are so important are not a life-or-death situation.

Jesus' teachings are about noticing hurting people and reaching out to listen to them. Most people just need to be heard. They usually answer their own questions by talking to someone.

Tonight was one of our grandchildren's first Christmas play. I don't believe there is anything funnier than 4-year-old children acting out a skit. Seth kept asking me if I wanted to go to the stage. Ha!

**WE ARE NOW AN
 AMAZON SMILE CHARITY!**

No matter what season of life you find yourself in
He is always there alongside of you.

He loves to feel needed by His children.
The more we need and depend on Him the more
He reveals Himself to you.

Ministry Needs

Currently we do not have any urgent needs.

We are continuing to raise money for a small truck. We're almost there.

Praise ye the LORD.
O give thanks unto
the LORD; for he is good:
for his mercy
endureth for ever.

Psalms 106:1

Prayer Requests

*Please keep my health and energy levels in your prayers.
I sprung my ankle and it continues to swell
and bother me. I am now able to walk on it.*

*Please pray for people who've lost loved ones
and are alone during the holiday season.*

*Please pray that I am able to organize a construction
group for 2026. I sure need help in this area.*
