

Hi church family,

Pray you are all well 😊

This term in the Infants' Kids Church we are continuing our People of the Bible series. Last week we learnt that the Bible tells us about some people who lived a long time **before** Jesus (Adam & Eve, Noah, Abraham, Joseph, Moses, Samuel & King David). Some people who lived **when** Jesus was here on earth (Peter) and then some people who lived **after** Jesus died and came back to life (Paul).

The next 4 weeks we will be learning some more about Peter and Paul.

Today we are learning how God changed Peter from being sad for saying that he didn't know Jesus and that he wasn't his friend (Mark 14:66-72) to being happy to tell people that he was Jesus' friend and how they could be Jesus' friends too (Acts 21:1-41).

The following page can be coloured in and if you like you can decorate it by pasting some stickers or bits of coloured paper around the pictures.

he wanted to tell people how to be Jesus' friend
