

Byron Heritage Church Preschool

2026-27 Enrollment Info. & Application

Byron Heritage Church Preschool is a Christian Education ministry which provides children satisfying experiences and loving relationships in a Christian environment. Our program strives to assist children in meeting their needs to develop physically, mentally, socially, emotionally, and spiritually.

Our curriculum is established according to the developmental level of each age group. Our two-year-old program puts an emphasis on social interaction, music, movement, and action songs and rhymes. Numbers and colors are also introduced as they naturally occur in their environment (2 blocks, orange snack crackers). These activities help children develop language and vocabulary skills, auditory discrimination, and fine and gross motor skills.

Our three-year-olds have fun learning seasons, colors, numbers, and letter recognition. Students engage in active learning through music, movement, and hands on activities to reinforce concepts. These objectives encourage children in the areas of physical, motor, cognitive, and language development.

Our four-year-olds concentrate on letter recognition and sounds as well as counting and number/quantity association. Students are read to daily and encouraged to recall important parts of a story in order to develop listening skills. Emphasis is also placed on developing a positive self-concept, an important factor in preparing for the step to kindergarten.

As we prepare for the 2026-27 school year, we are planning to administer the following guidelines:

- Our two-, three-, and four-year-old preschool classes meet Monday-Friday from 8:30 a.m. until 12:30 p.m.
- The tuition is \$220.00 per month for 10 months and our non-refundable registration fee is \$100.00 per child, per year. A discount on tuition is offered for siblings of \$10.00 per child per month.
- Students entering the three-year-old class will need to be fully toilet trained with the exception of an occasional accident.

Please contact the Church Office at 478-956-5717 and leave a message if you have questions. We look forward to welcoming your child to our program!
