

Missionary's Report

By: Yvrose Johnson Poupoulute

Praise be to God because now I am working full-time Dufailly, Haiti. This has been an answered prayer! We have very good work going on in Dufailly right now! I want Dufailly Christian Mission to grow with everything we have going on in this village.

We have three big projects in this Mission we need to focus on. The Church is the main focus. After that we have a school and now the Medical Clinic! I hope my presence will help the village. Hopefully spiritually, medically, and in their education. We have just begun a VBS for the children and we hope to be able to teach them about the love of Jesus and reach their families as well. My priority is to help Dufailly Christian Mission in any way I can for the Glory of God.

Please keeping us in your prayers because we want to be hand and feet for glory of God !
God bless you all!
