

YOUR GENEROSITY IS CHANGING LIVES

Everyone knows that supporting our kids is one of the most important things we can do as the church. Rarely do the kids at the East Toledo campus get to participate in the family ministries luncheons due to scheduling. This past week we held our very first meal fundraiser to help support the kids. Instead of doing lunch, we had a breakfast. Our numbers were generous enough to provide most of the food, cook it, and serve it. Through the generosity of our community, we were able to raise over a hundred dollars to help send the kids to camp and to mission's trips. This event allowed our kids to be in a participatory role, and our numbers to be generous in support of Hope's mission of being and bringing hope to our communities.

The mission of Hope Community Church is supported through faithful and generous giving to our ONE HOPE ministry fund. If you have not yet joined this exciting journey, we invite you to discover the joy of giving to God and seeing His Kingdom expand in your life and in our community.

KAIROS STORY

I tend to be selfish. At the end of a long day I find myself doing things that I want to do. One of those things around this time of year is sitting at the pool at my apartment complex. I have my book and music ready for a relaxing evening by the pool. Recently however, whenever I go to the pool, I've been flooded with conversation with the neighbors around me who are also at the pool. Conversations with others range from the newest TV series to why God allows human suffering. More often than not people want to ask questions on who God is and why do I serve Him. In these moments there is a selfish part of me would rather put in my headphones and focus on myself. But God seems to have other plans for me during these moments by the pool. I've been continually hit with these kairos moments where God has been pushing me to go deeper with my neighbors. In these moments I am faced with a choice: do I do what I want to do or do I want to invest in others for God's glory? God has been so incredibly faithful to slow me down and teach me that this life is not about me. These times by the pool, as in John 5:1-14, are times of healing, not only for myself but for my neighbors as the good news is shared with them. The pool at my apartment has become a place for ministry. I am so grateful for these moments where God breaks our habits and recreates them for His glory. - Amanda Sparks
