

YOUR GENEROSITY IS CHANGING LIVES

Over the past three weeks we have hosted three funeral dinners at our Oregon Campus. The death of a loved one brings incredible grief to family and friends. The funeral is a time to celebrate the life of the deceased loved one, to comfort one another and to look at our own life and destiny. The funeral dinner is an incredible ministry of our church led by Doris Clay and her team to give space for family and friends to eat, laugh and cry together. There is something healing in sharing a meal together. For our funeral dinners people from Hope provide the sides, salads, desserts and drinks and our Funeral Dinner team prepares the ham, serves and cleans up. Thanks for your generosity of time and food. I can tell you with these three families, it made a difference. Thanks for giving.

COMMUNITY

CHURCH OF THE NAZARENE

To Be and Bring Hope to Our Community

January 13, 2019

Welcome to Hope Community Church of the Nazarene!

We are thankful that you are here.

We are a group of people who believe that God is amazing and that He will change our lives for the better. He has changed our lives in so many amazing ways that we want to share what we have experienced with others. We love our community - Oregon and the Eastern portion of the Toledo area and we want to help share the love of God with those around us by continually and actively serving the needs of our community and our neighbors.

Following the worship service, visitors are invited to meet the pastor at the Welcome Corner.

Please take a moment to fill out the Connection Card and place it in the offering plate as it is passed to you later in the service.

TAKE HOME POINT

We often withdraw from God and others in the Land Between.

KAIROS STORY

I am very excited about our new format at East Toledo Campus (we meet at 6:00 pm, eat dinner together, have a short teaching, and then discussion). But what I didn't realize was how nervous I would be that it would go smoothly. It wasn't until after the first night, while I was journaling, did I realize that I was worrying about the wrong things. We met together to encourage one another and focus on God. No matter how hectic it was, how much food we did or didn't have, or how the "flow" went, if we focused on God we succeeded. It's easy to get caught up in the goodness of what we are doing instead of focusing on the goodness of what God is doing. So, I will continue to keep praying for God's glorification and not mine, and I ask you to join in the same prayer. – Jeremy England
