

## YOUR GENEROSITY IS CHANGING LIVES

Thank you to all of our adults who gave their time and resources to making our 2019 Senior High Lock-In a hit! We had 27 teens last Friday - Saturday and were in need of generous adults to supervise, pick up pizzas, cook breakfast, and help clean up after the event. I am so incredibly thankful for our adult volunteers, parents, and other Hope members that generously pitched in their efforts to make this event one to remember. Thank you!

## COMMUNITY

CHURCH OF THE NAZARENE

To Be and Bring Hope to Our Community  
 February 3, 2019

Welcome to Hope Community Church of the Nazarene!  
 We are thankful that you are here.

We are a group of people who believe that God is amazing and that He will change our lives for the better. He has changed our lives in so many amazing ways that we want to share what we have experienced with others. We love our community - Oregon and the Eastern portion of the Toledo area and we want to help share the love of God with those around us by continually and actively serving the needs of our community and our neighbors.

Following the worship service, visitors are invited to meet the pastor at the Welcome Corner.

*Please take a moment to fill out the Connection Card and place it in the offering plate as it is passed to you later in the service.*

## TAKE HOME POINT

Does your relationship with Jesus make a difference when things go sideways?

## KAIROS STORY

Recently I was reminded that small things make a difference. A kid I coached in the past is not having as well of a season this year as he had hoped. On my way out of a game a few weeks back I saw him. As I walked past him, I put my arm around him and told him to keep giving his best and to not be discouraged. I didn't think much about that interaction until I was sitting with his dad a couple games later. He thanked me for talking with his son and encouraging him. It hit me there how scarce encouragement can be in our culture and how a small thing like a timely, encouraging word can make a big difference.
