

YOUR GENEROSITY IS CHANGING LIVES

Thank you to all who helped support me on my trip to Guyana, South America. I will be in the Guyanese village of Orealla from February 24th-March 9th for my fourth trip to do God's work with this community. When Doreen Robeson heard about my trip she was quick to recruit people to help support my trip through prayers, financial giving, and gifts (pencils, stickers, etc.) for the kids in the village I will be working with. Thank you for your support! Thank you also to the teens for making heartfelt cards for me to take on my trip. I am continually blown away at the generosity and intentionality of Hope Community Church. Thank you so much in supporting me and supporting missions. - Pastor Amanda Sparks

To Be and Bring Hope to Our Community

March 4, 2018

Welcome to Hope Community Church of the Nazarene!
We are thankful that you are here.

We are a group of people who believe that God is amazing and that He will change our lives for the better. He has changed our lives in so many amazing ways that we want to share what we have experienced with others. We love our community - Oregon and the Eastern portion of the Toledo area - and we want to help share the love of God with those around us by continually and actively serving the needs of our community and our neighbors. Following the worship service, visitors are invited to meet the pastor at the Welcome Corner.

Please take a moment to fill out the Connection Card and place it in the offering plate as it is passed to you later in the service.

Jesus is the Messiah.

KAIROS STORY

Last Sunday, I watched our Kids Bible Quizzers at their zone level meet. They have been studying the book of Matthew this year and are now entering into the season where they have different levels of quizzes. Three things hit me during the quiz. 1. We have amazing kids who have worked hard all school year learning about the life, ministry and teachings of Jesus. 2. We have amazing adults who have dedicated a ton of time to helping our kids not just learn information but learn about Jesus and get to know Jesus even better. 3. It is the perfect trifecta when it is also worked on at home. One of our sons didn't do as well on the first quiz as he wanted to do, and I have to admit that we have been weak at reading the stories and going over the key parts at home. Thankfully, we have time and will begin to make that a regular pattern at our house. You don't need to be in quizzing to be reading and learning about Jesus. Join us with the lent calendar or by just reading one of the 4 gospels (Matthew, Mark, Luke and John).
