

YOUR GENEROSITY IS CHANGING LIVES

Last week Oregon Campus had their Mega Sports Camp and Sunday celebration. During the week the boys and girls had a giving competition to go towards Foster Care Bags for Lucas County Children's Services. I am sad to report the girls won that battle and I took the pie in the face on Friday. On Sunday, we invited the adults to join in and give. Overall, we gave \$822.95 and 140 items for Foster Care Bags! Our East Toledo Campus will have their Mega Sports Camp July 16-20 and their Sunday celebration on July 22 and will also have a giving competition to raise money (Let's Go Boys!) and collect items for Foster Care Bags. Thanks for giving and thanks to our kids for leading the way.

COMMUNITY

CHURCH OF THE NAZARENE

To Be and Bring Hope to Our Community

July 1, 2018

AMANDA SPARKS, Youth Pastor

Welcome to Hope Community Church of the Nazarene!

We are thankful that you are here.

We are a group of people who believe that God is amazing and that He will change our lives for the better. He has changed our lives in so many amazing ways that we want to share what we have experienced with others. We love our community - Oregon and the Eastern portion of the Toledo area and we want to help share the love of God with those around us by continually and actively serving the needs of our community and our neighbors.

Following the worship service, visitors are invited to meet the pastor at the Welcome Corner.

Please take a moment to fill out the Connection Card and place it in the offering plate as it is passed to you later in the service.

TAKE HOME POINT

Kingdom prayer opens up space for the presence of God.

KAIROS STORY

Owning a house now means yard work, and for me that has meant poison ivy or oak for the past two summers. When I lived in an apartment, that was typically not a concern on my radar. I was usually concerned about not walking too loud, or making sure my parking spot was not taken by someone else. As I was itching for the millionth time God reminded me that a different phase of life meant a new set of challenges. It required learning new things and relying on new people who understood this phase of life. God doesn't get me to a place that I can ever stop growing or seeking to grow deeper in our relationship. I hope that I continue to grow, and I hope that people do the same alongside of me. – Jeremy England
