

YOUR GENEROSITY IS CHANGING LIVES

Last weekend, 31 kids and 10 adults went to Camp Shipwreck. It was a hot weekend but we all had a great time on the blob, the climbing wall, fishing and all the other activities. Most importantly during this camp we learned that Jesus is our rescuer. The family ministry lunches, flower sale and other fundraisers helped make camp possible. Thanks for giving so our kids can learn to be rescued by Jesus.

The mission of Hope Community Church is supported through faithful and generous giving to our ONE HOPE ministry fund. If you have not yet joined this exciting journey, we invite you to discover the joy of giving to God and seeing His Kingdom expand in your life and in our community.

KAIROS STORY

Summer is finally here, and the heat is on, which means Amanda is hitting the pool. Beyond the conversations held by the water I have also enjoyed seeing the families at the pool teaching their children how to swim. There was one parent in particular who was recently teaching her little girl how to swim. She would start in the shallow end and would back up to allow her child swim to her. As the child improved in strength and stamina the mother would make her way closer to the deep end. I could see the fear in the child's eyes, as mom seemed to be out of reach. The gentle encouragement of the mother's voice gave the child enough courage to just keep swimming. In the same way, as God's children, we are often led into deep waters and feel like we are swimming all alone. But if we slow down we can hear the gentle encouragement of the Father urging us to keep trusting and keep swimming. I have been abundantly blessed to have a God that teaches me what trust and perseverance looks like though the victories of this little girl and her patient mother.
