

YOUR GENEROSITY IS CHANGING LIVES

There was an incredible amount of generosity displayed throughout the Teen Back to School Bash Week (August 6th-10th). From families opening their homes to individuals and businesses donating supplies, the teens and I felt an incredible amount of generosity as we ushered in the upcoming school year. Because of the generosity displayed to the teens and I this week we were able to grow in relationship with one another and connect some new faces to the group. Thank you so much for all of the generous support. – Pastor Amanda

The mission of Hope Community Church is supported through faithful and generous giving to our ONE HOPE ministry fund. If you have not yet joined this exciting journey, we invite you to discover the joy of giving to God and seeing His Kingdom expand in your life and in our community.

KAIROS STORY

I was able to attend the Global Leadership Summit at the end of this week. One of the speakers on Thursday morning told the story of having to make decisions for his aging mother. During a moment where he was forced to make a decision for his mom, he realized that he should not be raising his kids to make decisions for their own but making decisions for him and his wife. Our next generation is going to be the doctors, business leaders, politicians and church leaders when we are older. I was forced to wrestle with the question are Bethany and I raising our boys in a way that they will be prepared for those decisions? It can be a scary thought, but I think a good one that should impact what we do in our homes and at church.

back2school
prayer

"Dear Lord, use my eyes to *see* new friends.

Open my ears to *hear* my teacher.

Open my mind to *learn* new things.

Let my heart *remember* YOU are near when I'm afraid.

Help me to *love* others like you do.

I want to *shine* your light so bright in my school."
Amen.
