**Holy Habits...Healthy Life**

This year, we have focused on the command to Rejoice. Our joy is our job as followers of Jesus. However, life long enough, you will know there are joy thief's all around us. Once of the greats thief's to your joy is you and your habits.

Nearly everything we do in life is the result of our habits. The good ones bring peace and power into our lives, and the bad ones steal our peace and joy and prevent our success.

God's word has a lot to say about the habits of our lives and God clearly wants the small things in our lives to bring forth the big differences living through him can have for us.

Join us this month as I share a series of message that will help us understand how destines are decided and how holy habits bring forth a happy life.

**Happy Mother's Day!**

President George Washington said, *"The greatest teacher I ever had was my mother."*

Mothers play such a vital role in our society. Not only do they impact their children, but they also impact their grandchildren and maybe even their great-grandchildren. They impact generations because of the truths, love, and faithfulness they pass on.

The apostle Paul wrote to young Timoth about the impact of Timothy's mother and grandmother on his life: *"I remember your genuine faith, for you share the faith that first filled your grandmother Lois and your mother, Eunice. And I know that same faith continues strong in you."* 2 Timothy 1:5 NLT

Moms, we love you! Thanks for being who you are. You are not perfect, your family is a work in progress, and your dedication is never fully appreciated, but God has gifted you to be "mom" and no one can replace you. Keep being the wonderful person you are...keep praying and never give up, because your impact is greater than you may realize.

Join us on Mother's Day, May 10th, as we honor our moms and have a special reception for them after the service. In honor of our mom, I will share a special message titled: Tips On How To Be A Joyful Mom.

What an amazingly beautiful morning it was to celebrate our Saviour conquering the grave! While it was a tad chilly we were able to welcome visitors, sip on hot chocolate, and hear the message together!

## Easter at Hillcrest

We ate a delicious breakfast together and then moved to our traditional Easter Service where we shared Communion and then also witnessed a Baptism! It was a glorious time of rejoicing!
