CATECHISM VERSES

Did God make the world out of something?

No. There was nothing else before the world.

"By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things visible." Hebrews 11:3

How long did it take?

Six days.

"And God saw everything that he had made, and behold, it was very good. And there was evening and there was morning, the sixth day."

Genesis 1:31
