

***Kingdom Quest: VBS Kickoff***

**Jesus Calls His Disciples Luke 5:1-11**

Following Jesus brings four things into our lives:

1. First, there are Instructions to Follow.

- These instructions are often opposite to what seems reasonable to us.
- These instructions offer no guarantee there will be a return in our favor. So, \_\_\_\_\_!

2. Next, there are Provisions to be Supplied.

- Provisions are already there sometimes.
- God is working when you can see Him working. So, \_\_\_\_\_!

3. Third, there is Higher Purpose to Pursue.

- Peter was called to bring people to Jesus.
- Jesus wants us to focus on that which is eternally significant. So, \_\_\_\_\_!

4. Finally, there are Sacrifices to be Made.

- Peter abandoned his entire career and all that came with it.
- We can't out-give God. So, \_\_\_\_\_!
