

## ***The Miracles of Calvary***

### **The Miraculous Opening of the Graves**

**Matthew 27:50-53**

Today we will look at three features of one of the miracles that occurred during Jesus' crucifixion that some have viewed as unusual.

1. First, This Miracle Demonstrates how Christ's Own Death Upon the Cross Conquers the Grave and Death Itself.
2. Next, This Miracle Raises Lots of Questions.
  - Namely, who were these people who were raised?
3. Finally, We Will Look at What This Miracle Means:
  - It is the fulfillment of P\_\_\_\_\_. God always keeps His Word.
  - It is a P\_\_\_\_\_ of our own Resurrection. Jesus is the First Fruits of those who have fallen asleep (1 Corinthians 15:20)
  - It pictures for us a wonderful P\_\_\_\_\_. We will see our loved ones again.
