

Town of DeMotte
Landlord Rental Agreement for Utilities

Per Ordinance 03262012-2, any person, firm, or corporation owning real estate that is serviced with water is personally responsible therefore, and if the premises are vacated without all water bills and delinquent charges being paid up to the time of vacation, the person, firm, or corporation shall not thereafter be supplied with water through any service until all water bills and delinquent charges are paid in full. This shall apply in all respects to any tenant or other user of the waterworks service. By signing below, the landlord/manager accepts the terms of Ordinance 03262012-2.

I, _____, have read NORWEJ Ordinance 03262012-2 and understand that, as the property owner, I am the responsible party for all utility payments in the event the tenant does not pay for the use and availability of those services for the rented property.

I hereby give my permission for the renter at the following address to be allowed to have utilities in their name. This includes any or all of the following: water, trash and sewer services.
