

TOWN OF DEMOTTE REQUEST TO STOP TRASH SERVICE

All fees on your account must be current and paid in full. If it is discovered that the trash service is being used after it is stopped, the billing will start back up and will be retroactive to the date the billing stopped. It is your responsibility to inform our office when you need the trash service started again or if the property is sold.

Per Ordinance 06292011-3, the Town of DeMotte allows for citizens that meet certain criteria to opt out of said trash service under 6.18.1. The maximum amount a citizen may opt out of the municipal waste program is ninety (90) days per calendar year for an extended vacancy.
