## Loving God and Others

### Upcoming Events

The next big event for the Youth is the Fall Retreat which is November 4-6. The cost per child is \$90 and the Retreat will be at Cedarmore. The Retreat will enable students to grow in Christ alongside others as they hear from 1 Peter on how to live in this world.

We have two other events before the Fall retreat.

- 1. Trunk or Treat Oct 31st
- 2. Fall Retreat Nov 4-6

### Needs/Prayer

Pray for the youth to continue to grow in Christ. They would see their need to grow in Christ likeness and those who are lost would come to know Christ.

### Praises

The Lord answered last months prayer request in giving us someone who will lead the youth in songs. We still need someone who will lead them musically.

And he answered, "You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself."

(Luke 10:27 ESV)

## Story of the Month

## Reading 1 John

Your Students are studying 1 John on Sunday morning and seeing how God is Light. Pastor Nick encourages you to dialogue with your students after church. They are given an outline each week so that they can follow along. The outline would be a great tool to ask them questions to apply the word of God to their heart and to disciple your student in Christ.

## Quiet Time

The Youth are going through 1 John in Sunday school. A good book of the bible to go through for the upcoming month of August would be the book of John. The book of John is written by the same author and has similar ideas. Students and parents would benefit from reading the book of John. Parents, I encourage you to read along with your students so that you can grow alongside them in their faith.

“All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.”

money for Missions. The money went to support ministers such as Bible Translations to Orphanages.

They did a great job in the tournament and improved since last year. The Youth named their team “Carl and the Muddy Warriors.” They played hard and made a lot of great serves but they ended up losing their last game 15-11. After the tournament was over the Youth literally played in the mud while the Young Adults advanced to the semi-finals. The Youth had a blast playing in the mud. It is hard to tell whether they enjoyed volleyball or playing in the mud more. Everyone was playing in the mud and there was not a clean spot to be found on any of them.

The Young Adults accompanied the youth to Muddin4Missions and their name was “Baptist Ballers.” The Youth cheered them on to the semi-finals. Pathway overall did very good this year. We advanced all the way to the semi-finals and placed third.
