

There are times during the school year when the children will have the opportunity to participate in a walking field trip around Pathway's grounds. For example, there is a playground on the church property that will be available for them to use. Your written permission is required for your child to participate in these walking field trips. I would like to secure your permission for all walking field trips throughout the school year.

I give permission for my child to accompany his/her class on all walking field trips planned and supervised by Pathway Preschool for the 2017-2018 school year. Staff will ensure a safe walking route and supervision for each trip. I understand that no such field trip will take place without a safe ratio of adults to children.
