

Dear Madam or Sir,

I am writing to invite you to be involved in a unique opportunity to be part of a worldwide movement while impacting your community and some of its most deserving residents at the same time!

On February 7, 2020, One Life Fellowship will once again host **Night to Shine**, an event sponsored by the Tim Tebow Foundation. Night to Shine is an unforgettable prom night experience centered on God's love, for people with special needs. On this 6th anniversary year, the event is expected to serve more than 100,000 people with special needs through 200,000 volunteers and 700+ host churches in all 50 states and over 30 countries around the world.

Every guest of Night to Shine receives the royal treatment which includes a short limousine ride to the red carpet where they are greeted by our paparazzi, professional photography, hair and makeup stations, corsages and boutonnieres, shoe shines, a catered dinner, karaoke room, and of course, a dance floor...all leading up to the moment when each guest is crowned a king or queen of the prom. Our parents and caregivers are also treated to a respite room where they will experience an evening of relaxation knowing that their special person is cared for during the event.

It is our desire to create a memorable evening our 150+ guests and their caregivers. We are reaching out to you in hopes that you will partner with us financially to make this a reality. All contributions go directly towards making this Ocala event an evening our guests and their families will not soon forget. Night to Shine would not be possible without our Community Partners.

We would love for you to join us and be part of this worldwide movement! Check the partnership levels in this letter to learn how you can participate.
