

OCTOBER NEWS

Preschool Excitement!

Dear Parents,

October is always such a fun month here in preschool! The kids love discussing their costume choices.

We will be learning about *God's Gift of Generosity!* Our first focus will be on TREES. We will explore the beauty of their changing colors and enjoy the season of Fall! We then move our focus to BIRDS. Through literature and projects we will examine our feathered friends. We will explore food they eat, places they live, feathers and flight.

We will finish up the month with Halloween themed activities. Pumpkin investigations, Spider stuff and an exploding experiment will get us started.
