

SAFE AND SECURE CHURCH TRAINING:

The Ministry Approach to
Church Safety and Security

Join us for a full-day workshop providing practical training for churches who want to develop and improve upon a safety and security plan.

At the Safe and Secure Church Training you will...

- » Determine your church's biggest potential liabilities and risks.
- » Participate in live scenarios and role-playing exercises.
- » Learn from an expert instructor and have the chance to ask questions.
- » Feel equipped to take the next step toward developing or improving on a comprehensive safety and security plan at your church.

PRICE: \$75 with early registration (\$99 within 30 days of the event)

MEET YOUR PRESENTER

BILL TWINEM

Bill has over 30 years of law enforcement, SWAT and tactical experience, including the Aurora, Colorado, theater shooting as a first responder. He is also the founder of ACE Training, which provides risk assessments and consultation for safety training initiatives.
