St Matthias' Church, Dallas, Texas

DECEMBER 2018

Beloved in Christ,

As I write this, the Church year is winding to a close. By the time you get this we will have just begun a new Church year with the season of Advent, Liturgical Year C, as a matter of fact. We now have liturgical gears to shift from Ordinary Time to Advent.

The secular world is well into what it calls "the holidays." How can you possibly have holidays if nothing is holy to you? I don't know. In any event, the world around us sees it as a marvelous time to move some merchandise. The temptation for us is to get caught up in all of that. But the Church calls us to the observance of Holy Days. So there is always a tension this time of year between these two. It calls for balance.

In his first epistle, Saint Peter (3:15) admonishes us to revere Jesus as Lord and to always be ready to give a defense for the hope that is in us. How to do that? **Keep Advent.** Do not be in a huge hurry to put up all the Christmas decorations all at once. Do it in stages. Start with an Advent Wreath. Use it - daily, if you can. Over the course of the next few weeks, put up the decorations, but do it a bit at a time. If your neighbors ask you what you are doing, they are presenting you with the perfect opportunity to invite them to come to Church with you at Christmas. Advent is indeed a season of solemn preparation - so be very intentional about your preparations.

It is about balance. Make sure that while you are outwardly preparing, you are also preparing inwardly. **When did you last make your Confession?** What about Saturday, the 22nd? Why not put it on your calendar? - I'll be available starting at 11:00 am. I'll even see if I can get some extra priestly help that day. If you would like to talk about the state of your soul, I'm always glad to do that. Just give me a call: 214.358.2585. The Church also invites you to embrace the giving of alms in this season - (See "Advent Self-Denial Offering")

below). Make sure that you leave room in your schedule for some increased acts of devotion. Come to a weekday Mass and give God of the first fruits of your day. The stillness of the early morning is a fine time to share with Him.

This year's calendar presents us with a challenge - This is almost the shortest Advent we can get - If you recall, last year the Fourth Sunday of Advent was also Christmas Eve. Thankfully, we don't have to cope with that this year, but it will still be a push.

The challenge, of course, is to decorate the place for Christmas and we can't fully do that in the church until after the 4th Sunday of Advent Mass. (*As I did last year, I have given the Altar Guild the go-ahead to hang the garlands on Saturday.*) On the morning of Christmas Eve, I would like for us to deck the Great Hall. Mass will be celebrated that morning at 7:00am so I will be there bright and early, the Altar Guild will be also to prepare the church for the Feast. So let's gather at 9:00am in the Great Hall. If you would like to bring something tasty to share, please do so. Kids and guests are definitely welcome. If you can't handle heavy lifting, don't worry, tree ornaments don't weigh that much. This is an opportunity for us to do something together that we will then be able to enjoy throughout the Christmas Season. I will make sure we have a suitable tree and some lights. Will you make plans to be with us?

Our Christmas celebration will begin on Christmas Eve at 10:00pm with appropriate music in the church, then at 10:30 a Solemn Procession and Solemn High Mass - bring the kids, the neighbors, the neighbor's kids. (We will have a nursery.) And we will follow the Mass with a gathering in the Great Hall to toast the birth of our Savior. On Christmas morning, Matins will be read at 10:45 and Mass will be celebrated at 11:00am. On Sunday the 30th, we will have our annual Service of Lessons and Carols as the Liturgy of the Word at the High Mass followed by a reception in the Great Hall. More so than probably any other time during the year your friends and neighbors might just be open to accepting an invitation to come to church with you. If not on Christmas Eve, then just maybe on the Sunday after - we do have 12 days in which to celebrate!

And finally, a plea for the financial health of our parish. Please do your utmost to fulfill the stewardship declaration that you made for 2018. If you need to check your status, please contact Robyn Priest, *our Stewardship Officer*. We want to finish the year as financially strong as we are able.

It is a truly a joy to be here with you.

NOTIFICATION OF 2019 ANNUAL CONGREGATIONAL MEETING

Fast upon this year's turning, it will be time for us to gather as God's People once more to review the year 2018, to look forward to at least the immediate future, and to elect some of our own to lead us into that future, both in our parish and in our diocese. The Vestry and I have set our **Annual Congregational Meeting** for Sunday morning, January 27th, beginning with Matins at 9:00am and Mass at 9:30am. Please remember that there will be one Mass only that day. Following Mass we will have a brief break for continental breakfast. Then we will come into session in the church. **I ask all of you to clear your calendars now for this very important gathering.**

It is, therefore, time for nominations to be made both for the parish Vestry and Delegates to Diocesan Convention. At the conclusion of my remarks, you will find information on the nomination process. I ask you to study it carefully and follow it ... and begin now to pray for the Lord's guidance of us and our decisions.

I am looking forward to moving into and through the beginning of this new Year of Our Lord with you. I pray that my ministry among you will work for the glory of God, the sanctification of your souls and our being a blessing to God's world. Certainly you are doing these things for me. Thank you, so very much. Be assured of my love.

ST MATTHIAS' NOMINATION PROCESS

At St Matthias', all communicant members-in-good-standing of the parish make up the committee which nominates candidates for the offices of Vestry and Diocesan Convention Delegate as well as the electors for these offices. Official nomination packets with a letter from the Rector to potential nominees are available on the narthex table or from the Rector. Only nominations made through these packets are valid. **The deadline for nominations is Wednesday, December 19th.** They must be given to the Rector or be in to the Administrator's office by that date.

QUALIFICATIONS FOR THE OFFICES OF VESTRY AND DELEGATE

The importance of these offices, and therefore of the qualities needed in those elected to them, arises out of the fact that both of these ministries exercise the ministry of **headship**. Vestry exercise this ministry in collaboration with the parish's Rector; Diocesan Convention Delegates exercise it in collaboration with our diocesan Bishop.

The ministry of headship is radically important in every community. Why? Because of the way God has constituted the human community: spiritually and psychologically, the quality of every human community's *headship* greatly determines what that community can become and achieve. We see this first of all in our natural human families: the quality of the parents greatly determines what the children can become and achieve. Therefore the nature of Vestry members and Convention Delegates has decisive impact on a parish's and diocese's spiritual depth and health as well as their mission, ministry and temporal well-being.

Years ago, a holy and spiritually-deep bishop of the Anglican Communion articulated well the qualities needed in those holding these offices. He stated:

1. They must be deeply committed Christians, baptized and confirmed for a goodly number of years before ever being considered for service; hopefully this will insure that they have the spiritual depth needed for leadership;
2. They must have been active members of the parish for a number of years: hopefully this will insure that they "know" the parish they will help lead and provides time for the parish to experience them as ministers and to evaluate them as leaders;
3. They must have a track-record of sacrificial and fruitful ministry in the parish and support of it not only with their time and talent but with their financial resources;
4. They must have the spiritual and emotional maturity to work well with others, with a positive attitude, expressing their opinions and promoting their concerns out in the open instead of "behind the scenes", striving with others for consensus, with the ability to submit to and accept the decisions of the body; and
5. They should be able to work with and under those in authority over them.

As we nominate and elect people for these holy offices, keep these qualities in mind and be directed by them.

WHO IS ELIGIBLE TO NOMINATE?

The Canons of the Church allow only **duly qualified voters** to make nominations. A duly qualified voter is defined by the Canons as one who

- is baptized **and** confirmed, and at least 16 years of age;
- is a communicant member of the Parish **in good standing**.

To be a communicant member in good standing, a person must be

- *registered on the membership rolls of the parish;*
- *faithful in attendance at worship Sunday by Sunday;*
- *faithful in working, praying, and giving of themselves and their substance for the spread of the Kingdom of God; and*
- *must have received the Holy Communion at least three times in the preceding year.*

QUALIFICATIONS FOR NOMINATION AND ELECTION

The Canons of the Church and the Customary of the Diocese require that:

The candidate must be

- a duly qualified voter (see above);
- a consistent, concerned steward of God's blessings;
This means the nominee must be actively involved in ministry in the Parish and a financial supporter of her, with over a year's demonstration of sincere effort to meet his/her financial commitment to the Parish. Since the tithe (10%) of income is the biblical standard for giving, the nominee should be someone who has achieved this or is well on their way to achieving it.
- someone whose lifestyle conforms to Christian expectations;
- someone whose attitude about the Parish, the Christian Faith, and life is positive, not negative;
- someone who is able to work well with the Rector and others on a decision-making body;
- someone who is willing and able to commit the time necessary.

It is the custom of St Matthias' that spouses of present Vestry members should not serve on the Vestry at the same time.

Expectations and Responsibilities

It is very important that those who nominate and those nominated understand and accept the demands made and required of Vestry members and Convention Delegates. Those considered for nomination should be individuals who **already** are living the life required of parish leaders: it is folly to expect someone, simply because of election to an office, to fulfill its nature and demands unless, in their life in the parish, they are already living these things.

Vestry Members (3 year term) are responsible for leading the Parish through full involvement in our worship, educational, fellowship and service life. During the course of their term, they will

- worship every Sunday and Holy Day of Obligation and take part in other parish devotions (*e.g. Stations of the Cross in Lent, etc.*);
- participate in the Parish's educational programs;
- participate in Parish fellowship activities (*e.g. Lenten Suppers, Fellowship Supper, etc.*);
- attend monthly Vestry meetings, called meetings, and annual Vestry Conference;
- oversee the work of a Vestry Commission;
- lead their fellow-parishioners in a life of sacrificial service of the Lord, one another, and the world.

Convention Delegates (1 year term) must be able and willing to attend the Annual Diocesan Convention, any called meetings of Convention, and meetings of the deanery (several meetings a year).

THE NOMINATION PROCESS

1. As a candidate's eligibility must be determined, nominations will be reviewed by the parish officers responsible for the information determining eligibility (*Rector, Rector's Warden, and Stewardship Officer*). Anyone nominated who does not fulfill all requirements for eligibility will be informed of this by the Rector or Rector's Warden, explaining the reason.
2. **All** candidates determined to be eligible for election will be presented to the congregation for consideration. Therefore, at the election meeting, there will be no nominations from the floor.

3. Nominations must be made on the official Nomination Form, with **all** information and signatures required, and the form must be received by the Rector or into the Parish Office **by the deadline, December 19th.**
4. Only **one** Nomination Form may be submitted for each nominee.

2018 ADVENT OFFERING

Our Advent Offering this year will be donated to **Hooks Children's Ministry**, founded in 1980 and a long-time recipient of our assistance. Today, Hooks supports about 80 low-income elementary-school children on four campuses with school and personal supplies, lunches, weekend meals, and holiday gifts. Hooks also provides food and utility bill assistance for the elderly. In this season of giving, it is hoped that through our Advent Offering, St. Matthias' can provide significant assistance to the Hooks community.

SAVE THE DATE

A Matter of Balance: Managing Concerns about Falls is a nationally recognized program presented by the Community Council and Area Agency on Aging designed to reduce the fear of falling and increase activity. The workshop is free and is strictly limited to twenty participants over the age of 60. Sessions will be held twice a week on Tuesdays and Thursdays commencing Tuesday, February 5th, 2019, from 10:00am to 12 Noon at St Matthias. The last session will end on Thursday, February 28th. Classes will be led by a lay person from the Dallas Area on Aging. Registration for the class will begin in January and end on January 22nd.

The class is sponsored by the Evangelism Committee. If you have any questions, please contact Ida Perryman.

Second Friday Fasting & Prayer for the Election of a Bishop-Coadjutor for the Diocese of Fort Worth

ALMIGHTY and everliving God, ruler of all things in heaven and on earth: Look graciously on your Church and send your Holy Spirit to enlighten and guide those who shall choose a Bishop for this Diocese. Grant that they will choose a faithful shepherd, a steward of your Word and Sacraments, who will drive away all erroneous and strange doctrine, and vigorously promote missionary work and the spiritual growth of those entrusted to his care. Grant that we may receive a faithful pastor who will equip the saints for ministry in all that they undertake, through Jesus Christ our Lord. Amen.

The Episcopal Nominating Committee invites you to join in fasting and prayer on the Second Friday of each month between now and the Special Convention scheduled for early June. Friday, December 14th is this month's designated day.

THE SEASON OF ADVENT

On December 2nd, a new Christian year begins; it is the **First Sunday of Advent**. Advent (Latin for “coming”) is a season which looks at our Lord’s comings to us in the past, the present and the future. **The past:** his coming in the flesh two millennia ago. **The future:** his return in glory at the end of the ages. **The present:** his coming to us daily in the events of our lives and in our life in his Church. The season is four weeks in length and ends with our celebration of our Lord’s first coming, *the Nativity of our Lord Jesus Christ (Christmas)*.

Liturgical changes in Advent: At Mass, the *Trisagion (Holy God, Holy and Mighty, Holy Immortal One, have mercy upon us)* is used in place of the *Kyrie* and the *Gloria in excelsis*. At Solemn High Mass, we sing this to a beautiful setting by Alexander Archangelsky, a Russian composer.

Vestments: In keeping with Advent’s tone of solemn expectation, the vestments of the Sacred Ministers are of a sober, royal color. At St Matthias’ we keep the ancient English use of Sarum (Salisbury) with vestments of gray-blue. The pall which covers the Altar also changes to a tapestry with many colors of blue in it.

Other Advent customs:

- * Our progress through the four Sundays of Advent is marked by the four candles of an **Advent Wreath**, one additional lit each Sunday as we draw closer to Christmas. The rose candle is lit on the third Sunday, a custom stemming from a time in which Advent was more like a “little Lent”, with a penitential emphasis. The rose candle relieved the penitential emphasis with the injection of a note of rejoicing.
- * **A Jesse Tree** hangs in the church narthex. Based on Isaiah 11:1, “There shall come forth a shoot from the root of Jesse”, the tree is decorated with symbols of Jesus’ spiritual heritage. This family history conveys the drama of the Father’s activity as he worked through history to prepare the world for the coming of his Son.
- * The **Advent Home Liturgy** provides daily devotions for the season.
