Petition 6 – Jesus prays for His people to be with Him and See His Glory

The powerful desire of Jesus for His people

The heartfelt desire of Jesus for His people

- The elect are not saved on their own merit, but only on the merit of Christ
- Jesus is not a mercenary savior, He wants to be with those He saves

The ultimate desire of Jesus f His people

- Glory: the display of God's attributes, perfections, or person

We will see the glory of His person

- Jesus does not reflect the glory of God, He radiates it
- Jesus is the very embodiment of God

We will see the glory of Jesus in His role as Mediator

- In His obedience as our Mediator
 - Jesus obeys with joy, not because he ought
- In His making justification as our Mediator
- In the sequence of coming to glory through suffering as our Mediator
 - Our sufferings are often a pathway to deeper understanding and commitment to Christ
 - Our sufferings are a way God assures we belong to Him

We will see the glory of Jesus in His sanctifying work as our Mediator

We will see the glory of Jesus in His love for us as our Mediator

The joyous desire of Jesus for His people

- The eternal love of the Father for the Son is extended to and poured into the hearts of those whom the Son has saved
