WORCESTER FELLOWSHIP: Our next chance to provide lunch at the Worcester Fellowship is Sunday, August 19. Place your usual donations in the “sock boxes” located at the entryways. We also need helping hands at 8 AM that morning to donate food items and to prepare the lunches. Please note that we have more non-members than members helping in the kitchen. People are also needed to bring the food to Worcester and to stay to greet and worship with the participants. Please consider if **YOU** are being called for this ministry. **Ordinary People empowered to live Extraordinary Lives!**

SECURITY CAMERAS: Four video surveillance cameras have been installed to monitor the main areas of the church building. Two are located in the Office hallway, one in the Narthex and one in the Parish hall. There is a live monitor in the copy room and the video is stored for possible future reference by the police in case of a break-in.

WORSHIP: As several of our congregants suffer from allergies, please be mindful with perfumes and other allergens.

PLEASE PRAY FOR THE MOST REV. MICHAEL CURRY: Bishop Curry had surgery for prostate cancer on Tuesday July 31. Please continue to pray for him in recovery.
