April 2018 Newsletter

Dear Parents,

Only 6 weeks of school left! Spring is officially here so we will want to be outside as much as possible. This is a good time to review the dress code: Sandals are OK for boys and girls, BUT sandals must have a strap around the heel. Shoes that slip off when running or climbing are dangerous. NO BACKLESS SHOES PLEASE! It is still cool in the mornings, so please see that your child has a sweater or jacket for our morning recess. We have two spring fieldtrips coming up: April 25th is our trip to the Zoo and May 9th is our picnic at the Sedgwick County Park. On these two days, please bring a sack lunch (disposable) with a drink. We will have coolers to keep lunches cold, so please put lunches in a paper or plastic bag with your child's name on it. We will return to the school by 1:30 from the zoo field trip and by 1:00 for the park trip. Parents are always welcome to come along!

MS. Olive's and MS. Hannah's T/TH class: It has been such a blessing to see the kids grow and learn. We will begin tracing pages over the next few weeks as we continue name recognition and practice cutting with scissors.

MS. Stephany's and MS. Kayla's/MS. Olive's M/W/F classes: We can't believe we are starting the last full month of school. We still have lots of fun and learning to do. We will be starting evaluations soon. We are excited to see how much the kids have learned. I hope you notice the changes like we do. We will be talking about spring and the changes around us.

MS. Jessica's, MS. Janet's and MS. Cindi's M-F classes: The Pre-K is gearing up for some spring-time fun as we finish up on our letters and numbers skills. Reading groups are going strong and the kids are excited about taking their books home. Keep practicing on their reading books at home with your children. We are finishing the Alphabet this month so we will have time for review and more fun activities. We will celebrate spring with lots of spring art and outside fun. Spring evaluations are scheduled for later this month. We are sure they will reflect how much your children have learned. They continue to amaze us every day.
