## Donations Requested for LED Screens in the Sanctuary

The Leadership Team has voted to purchase two LED screens to be located over the inside exit doors, eliminating our current failing projector. The LED screens will eliminate the use of the projector and screen. A new livestreaming camera system is included in this project as well as a sound system assessment.

The Leadership Team approved up to \$100,000 on this project. We have \$59,000 allocated toward this project.

We are asking for donations and pledges toward the remaining \$41,000.

If you would like to donate, you may bring or mail your donations to the church office, place in the offering plate (write "LED Screens" in the memo of your check) or give electronically to the TV Ministry fund (add a note—"LED Screens").
