

Check It Out!

Faith Library is back to full service after a 3 month closure for much needed inventory, updates, and the change to an automated check out system. Thank you for your patience as those updates were made. If you have never checked anything out of Faith Library, now is the time! There are so many good books (some adult audio) and DVDs for kids to adults! Set your phones down, turn the tv off, and get lost in a good book.

The **CHECK OUT PROCESS** is easy. Each resource has a bar code sticker on the back of the resource. Patrons are also assigned a bar code number – 1 per family. If you have checked out resources from Faith’s Library in the past, you have been assigned a number. If you have never checked out anything from Faith’s Library, you will be assigned a number when you check out your first item/s. You will be asked to provide your name, address, phone number, and e-mail. The librarian will scan your number and then scan the bar code on the library resource and stamp the date due slip so that you know when the item is due back at the library. If a librarian is not present in the library during the week, there is a sheet to fill out with the necessary information needed for check out. Please do not take a resource out of the library without checking it out. Please return all resources to the BOOK RETURN box on the table in the library.

New resources mentioned in the bulletin and other seasonal materials can be found in the wooden book display case in the library or the display window in the hallway. There is a **NEW BULLETIN BOARD** in the library. Check it for User Reviews and other important information.

A summer **KIDS’ READING PROGRAM** will start on **Sunday, June 17**. Watch the bulletin and your mailbox for more information.
