

What's New?

Adults:

Where Treasure Hides by Johnnie Alexander is a powerful story that takes place during World War II and the Dutch Underground. Artist Alison Schuyler and her father run into dangerous obstacles as they try to secure the safety of their treasured art pieces.

Desert Secrets by Lisa Harris is a compact book that fits easily in a purse/travel bag. Aid worker Lexi Shannon is kidnapped along with ex-military pilot, Colton Landry and his brother; however, they escape and face danger after danger in the Sahara Desert. This is one book that I could not put down.

Hidden Identity series by Lynette Eason will also keep you on the edge of your seat. The series begins with **No One to Trust**, a story of lies, loyalties, and love, and continues with **Nowhere to Turn** and **No Place to Hide**.

Elite Guardian series by Lynette Eason is her newer series – **Always Watching** and **Without Warning**.

Children: **The Garden, the Curtain and the Cross** by Carl Laferton is a very special book that will help you clearly and simply share the story of salvation with your children. The illustrations are colorful and so helpful in sharing the story from Creation through the Resurrection of Jesus. This will be a favorite of adults as well as children.
