Small Group Homework

For the Week of May 6, 2018

(Questions and Scriptures for Reflection and Study)

Getting Started...

1. What has your time in the Word and prayer looked like this week? What are you currently reading in Scripture and how is God using His Word to grow you in Christ?

2. How would you describe Sunday's message to a new believer? What truths, ideas, or principles would you share with them concerning the Holy Spirit?

Into the Bible...

3. Read John 16:5-15. Why does Jesus say it is to our advantage that He will go away?

What can we learn from a passage like this regarding the work of God the Father, Christ His Son, and the Holy Spirit?

4. What is the role of the Holy Spirit in relation to the world? What about in relationship to the disciples? What about the Holy Spirit's relationship to Jesus?

Application

5. *"I don't want my life to be explainable without the Holy Spirit. I want people to look at my life and know that I couldn't be doing this by my own power. I want to live in such a way that I am desperate for Him to come through."* - Francis Chan. What do you think about this quote? Does it accurately describe your view of life and the work of the Holy Spirit? What would it look like for you to live your life in that way?

Take time to pray this week, asking God to lead you by His Spirit as He declares truth and guides you. Pray for our world concerning the conviction of sin, righteousness, and judgment. In all, pray that God would be glorified in and through the work of His Church.

Memory Verse

John 16:13- "When the Spirit of truth comes, he will guide you into all the truth, for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come."
