Questions and Scriptures for Reflection and Study

1. In two or three sentences, how would you describe your current walk with Christ?

2. Two of Riverlawn's core values are "Growing in Christ" and "Building Community". In your opinion, what does it look like for the Body of Christ to live these out faithfully? Within a small group, what are some practical ways that these values might be lived out?

3. Read John 18:39-19:16. How would you define "authority"? In what settings of our culture do we see authority on display (write out as many as you can think of)?

Where does authority come from and who establishes it? What can we learn about the appropriate use of power and authority from the example of Christ before His crucifixion.

Read Philippians 2:1-11. How should Christ's example and Paul's words direct the way in which we yield power and authority in our own lives? What does it look like for you to submit to the power and authority established over you?

4. Barabbas, though guilty, was set free as Christ took his place. Through His death, we are set free by Christ. What are we set free from? Practically, what does it mean to live in freedom?

With our freedom, we now have a role to play in the mission of God. What is the mission that God has given every Christ follower? How can your small group support and encourage you in your role in God's Kingdom? Who is someone that you are praying for and wanting to share Christ with?

Memory Verse

John 19:2- "And the soldiers twisted together a crown of thorns and put it on his head and arrayed him in a purple robe."
