

SOLA FIDE - FAITH ALONE.

How much do you value forgiveness? If you had to climb a mountain to get forgiveness, would you do it? Picture any great task you could be asked with the promise of forgiveness on the other end. Would you be willing to do it?

Good news is, we don't have to jump through hoops (or climb mountains.) God asks us for something simple: Trust. Even when we don't feel it or see it; even when it seems like God's left us for dead - we trust. Pastor Adam said, "If grace is the gift freely given, then faith is the hand that receives this grace." The gift is ours - we simply trust. What if children trusted good parents? What if good spouses trusted one another? What if our media was trustworthy or our politicians were trustworthy and we knew we could trust them? It would completely change the world. We have a God we can trust *completely*. Do you lean into Him and that reality?

IN THE BIBLE.

Read Hebrews 11:1-12:2 and Romans 4:13-5:8.

QUESTIONS.

- 1.) Whew. That was a lot of Scripture. What stood out most to you in those verses?
- 2.) What is faith? How does it differ from grace? And what does it mean for you, specifically?
- 3.) What does it mean for you that God is completely trustworthy? How does this change how you think, feel, and live?

Whenever you read the Bible, ask yourself these three questions:

1. What does this tell you about God?
2. What does this tell you about yourself and the world?
3. How is this going to change who you are and how you live?
