LOGO CONTEST: *What is Good Shepherd to you? Put it in a logo!* The Connections Team has been brainstorming ways to set Good Shepherd apart from other churches and one goal is to do this by way of a distinct logo that can be used for all church signs and marketing. We hope to find our church logo through a contest and would love to have your ideas! If you would be interested in submitting a logo, please submit a vector .ai, .eps or .pdf file **by the end of June** to Kimberly Reese at kimberly@focusonthecross.org .

These designs can be originals or purchased from another designer (such as through an Etsy shop). Along with your logo, please also submit a short description of the design and how it represents Good Shepherd. In July, finalist logos will be presented anonymously for a vote. Thanks for your help!
