

**April Sermon Series:**

Discipleship is a journey, not a single step. In this three-week series, we'll see how a disciple walks with Christ, grows with others, and serves as an ambassador of Christ, discovering that spiritual growth happens over time, through relationships, and in active participation in God's work in the world. Whether you're new to faith or looking to take your next step, this series will help you understand what it means to truly become a disciple.
