## SERMON SERIES:

From the promises and prophecies of the Old Testament to the fulfillment and revelation of the New Testament, Jesus is present in every part of God's story. But His presence doesn't stop at the end of the Bible. His love, power, and mission continue to shape lives and communities across the globe right now. Each week, we will open God's Word and open our eyes to the many places we see Jesus - past, present, and future.
