

*He who believes in me, as the Scripture has said, out of his heart will flow rivers of living water.*

*– John 7:38*

Rescue workers, having come to an area where there was a great famine, were handing out glasses of milk to some half-starved orphans. One little boy, who had several brothers and sisters, always had to share his food with his siblings. When he was given his glass of milk, he asked the worker, “How far down can I drink?”

“All the way down,” said the worker. “You can drink all the way down!”

Each day God holds out to each of us a full measure of His mercies, saying, “Drink deeply. Drink all the way down.” Any limitations we experience come, not because God wants to withhold anything from us, but because we are not ready to receive or lack the faith that we need.

In John 10:10, Jesus said: “I have come that you may have life, and that you may have it more abundantly.” He came, not to take away but to give. God wants each of us to have a life where blessings abound and joy overflows. Reach out, take His cup, and drink deeply.
