Student Missions 2026

This summer, we are offering several mission opportunities designed to help students grow in their faith while serving others and sharing the Gospel.

We will be hosting two mission trips: an international trip to Honduras for students in 9th grade through college, and a Student Life Mission Trip at Lee University in Tennessee.

An interest and information meeting for parents and students will be held on Sunday, February 15, in the fellowship hall immediately following the service. During this meeting, we will review trip details, expectations, packing lists, and answer any questions you may have.

Fundraising

We will have 3, potentially 4 fundraising events. Students will send out support letters to family, friends, neighbors, and anyone they believe would help them. Details are listed on the next page and will be discussed at the information meeting.

Fundraising

The Envelopes, Taco Lunch, Yard Sale and Carwash funds will all be pooled and divided equally among the students who participate in those fundraisers. Support letters & BBQ sales will be up to the students to earn and those funds will go directly to the student.

- The yard sale will coincide with the BBQ sale. For this fundraiser to be effective we will need multiple parents to help in organizing, pricing, and helping on the week and day of the yard sale.
- Envelopes will be displayed on a board in the lobby on April 5th. These envelopes will be labeled with a number, if people wish to give, they are to take the envelope and put the amount listed on the envelope inside and bring that back. For example, the envelope with "15" written on it will need to be returned with \$15 inside. Numbers 1-99 will be on the board.

Honduras

We will be partnering with Louder Than Words ministry to come alongside churches in Honduras to share the gospel. The students will be participating in morning work projects in local villages, children's outreach ministry in the afternoon and an evening worship service each day, Saturday through Wednesday. Thursday we will be doing some local shopping in the area for souvenirs and sightseeing. We will fly back on Friday August 7th. Flights are being scheduled and the most convenient airport to fly from will be selected based on time and cost.

Cost \$1900 (covers airfare and in country expenses) plus any spending money the students want to spend on Thruway (no more than \$65 is needed as we will exchange to Honduras currency)

Dates: July 31 (Friday) - August 7th (Friday)

Training Dates: April 19th@5pm, May 24th@5PM, June 15-19 (VBS), July 15th 10am- 2 pm

Student Life Mission Trip- Lee University (TN)

The week will be filled with worship services in the morning and evening, with mission work in the Tennessee area during the day. We will be staying on Lee University's campus in dorm rooms. Cell Phones will be collected at the beginning of the trip and given to students if needed for emergencies.
