# Summer Mission Trips 2027

---

## Honduras Trip

Date: June 20-26

Cost: \$1800-\$2000 estimate

Current High School students and older are eligible for this trip.

We will partner with Louder Than Words as we are serving the Silimania Village by seeking to plant a Gospel Centered Church for the Lenca People in that area. The trip will involve medical/dental clinics, work projects, VBS, Worship Services, and door to door evangelism. Space is limited on this trip to 15-18 total.

## MFuge Mission Camp

Date: Either 6/14-6/18 or 7/26-7/30 (TBD)

Cost: \$550 estimate

Current Middle School and High School students.

MFuge camps are Summer Mission camps centered on Worship, mission outreach during the day and small group time. Students will be staying on a college campus in a dorm setting while working in the area in a serving capacity with a local church or christian non-profit. There will be over 1,000 students worshipping together from across the Southeast!

## Fundraising

There will be fundraising opportunities throughout the year. The Cornbread Review will be on Nov 8th and students are encouraged to serve who are interested in going on a trip. We will have 3-4 more fundraisers, including the BBQ/Yard Sale along with other fundraising opportunities throughout the year to fully fund the trips.
