## Show Procedures

**ARRIVE IN COSTUMES:** Students should arrive at the auditorium in costume. The bathrooms are not big enough for getting dressed and ready to go. Please arrive in costume with makeup and hair done. Thank you!

**STAGE MAKEUP:** In order to avoid having the dancers' faces being washed out by the bright lights, please put a little makeup on your child (at least a little lipstick and blush).

**SIGN IN / SIGN OUT:** When you arrive, please go to the backstage area and sign your child in. (There will be staff at the auditorium front door to direct you.) We will have parent volunteers who will be responsible for each class. (If you are interested in volunteering, please sign up at the front desk. Thank you.) **Only students and class volunteers will be allowed to be backstage the hour before the show and during the show.** This is very important for safety. We want to make sure that every child is accounted for at all times. Thank you for your understanding.

In order to minimize disruptions and allow the audience to see and hear all dances in each act, **we ask you to wait until intermission/after the show to sign your child out.** After your child's class has danced, the class volunteers will take the kids to the dressing room (choir room) to wait for either intermission (Act 1 dancers) or the end of the show (Act 2 dancers). **If you must leave immediately following your child's performance, prior arrangements must be made when signing your child in.** *Unless there is a family emergency, your child will not be able to leave with you until intermission or the end of the show.* Unless prior arrangements have been made with the class volunteer, the person who signs the child in must be the person who signs the child out. This is important for safety reasons.

We would love to have our Act 1 dancers watch Act 2 in order to see what continued study of dance can lead to. After being signed out, Act 1 dancers may enter the auditorium and sit on a parent's lap for Act 2 without the dancer having to have a ticket. **If they are not young enough to sit on a lap, then a family member must buy a ticket for them previously to watch the show in the auditorium.**

**Quick Changes:** If your child is in more than one dance and they are not an OBPAS Company member, they will be assigned an instructor back stage to go to and hold on to their extra costume. This person will make sure that your child gets changed into their next costume and is ready for their next dance. If your child is in two dances back to back with less than two dances to change, they will be assigned a quick change person who will help them change quickly back stage in the wings. Stop by the front desk if you have any further questions.

## IMPORTANT INFORMATION

### RECITAL FEE

Every student was charged a \$15 recital fee at the time of registration. This fee combined with ticket sales covers the many costs involved in putting on a recital.

### TICKETS

Dance recital tickets cost \$8 each and may be purchased at Off-Broadway starting on April 25 during studio hours (Monday through Thursday, noon to 8:30). Tickets will be for sale at the door, however, we recommend purchasing tickets in advance to ensure availability.

### COSTUMES:

Costumes have been ordered and will arrive around April 19 or before. In order to take your costume home, you must pay your entire balance.

### RECITAL T-SHIRTS

Every student will receive a free recital t-shirt. The shirts will be handed out on picture day. You child is welcome to wear their recital t-shirt whenever they would like. We like to encourage our students to wear they to school a day or two prior to the recital to tell their friends and teachers about their big performance coming up.

### MAKEUP WEEK

The week before the recital is a designated makeup week. *Unless your class was canceled due to snow, you will **not** have class the week before recital.* Currently, only Sunday classes are schedule for a make up class. All other classes will not meet the week prior to the recital.

### RECITAL VIDEOS

Brian Kreider will be filming all 3 shows. DVDs will be available for \$18 and Blu-Ray Discs will be available for \$21, which includes the cost of shipping. All DVDs and/or Blu-Rays will be mailed out to you (order form attached). Please make all checks payable to Off-Broadway.

**\*Please note: Flash photography and videotaping of any kind will NOT be allowed during any of the performance.**

### FLOWERS

We will be selling bouquets of flowers in the lobby before both shows for \$10. The money received from the flower sale will be applied to our Rising Star Scholarship Fund. This program is set up to assist dancers who are unable to afford dance classes.

### PRACTICE IS IMPORTANT

The best way to make sure your student is prepared for the recital is to encourage them to practice their dance at home. You can speak with your child's teacher for individuals steps your child should focus on when practicing. During the last few weeks of the semester, teachers like to invite other classes, teacher and often parents into the room to watch the dancers. This is a great way for them to begin to feel more comfortable performing in front of an audience.
