# GET PLUGGED IN >>

Church is more than just a building, it is a unified body of Christ, gathering to worship God and advance His kingdom. One of the best ways to get connected to other believers is through community and service!

Check out some of these ways you can get involved!

## COMMUNITY GROUPS

EVERY SUNDAY AT 9:15 AM

Community deepens our faith and Gospel understanding. Through Community Groups, we connect in a Biblically-centered, personal environment, discussing sermon lessons and scriptures, and applying them to our lives. This allows us to encourage each other, seek answers together, and grow alongside fellow believers. Come check out each group and find one that fits you!
