## Grade School Summer Camp Registration Letter

It is time to register for summer camp 2018! We look forward to providing your child with a great summer of learning and friendship including many fun, hands-on activities. We offer a high quality program by structuring a camp day with many choices for our children. Our program is designed so children enjoy the feeling of community between our children and teachers. The children will be divided into two to three age appropriate classrooms with a core group of teachers working with each group.

On our website you will find many documents about our summer program including the schedule and descriptions of each camp week. Please look through these and choose the weeks of camp you would like your child to attend. **We are asking that all enrollment forms be returned by Friday, May 4th so we can finalize plans for staff, materials, field trips etc.**

If you have not used Northminster Learning Center during the 2017-18 school year, you will also need to include a registration fee of \$ 50.00 per family. Applications will be accepted on a first-come, first served basis until the program is filled. (Please be aware that each age group is limited to about 20-25 children per day).

### Items that Need to be Returned to Complete Enrollment:

1. Enrollment Form (including Summer Handbook Agreement, Behavior Policy Agreement, & EFT form)
2. A copy of your child's last physical w/ immunizations (if you are not a current after-school program student)
3. \$50 registration fee if your child has not been enrolled at Northminster during the school year ( no registration fee if registering for 1-2 weeks of camp)
4. If you are a new family, we need a copy of a certified birth certificate.

If you have any questions, please feel free to call me at the Learning Center at 691-6322. Thank you for considering summer programming at Northminster Learning Center for your child.

## Behavior Policy Agreement

Children are entitled to a pleasant and harmonious environment at the Northminster Learning Center program. Northminster Learning Center cannot serve children who display chronically disruptive behavior. Chronically disruptive behavior is defined as verbal or physical activity which may include but is not limited to such behavior that: requires constant attention from the staff, inflicts physical or emotional harm on other children, abuses the staff, ignores or disobeys the rules which guide behavior during the school day and program time. If a child cannot adjust to the program setting and behave appropriately, the child may be discharged.

Because we strive to provide a Christian atmosphere for children, parents, and staff, we have high expectations for our campers! Each day we expect children to be responsible for their actions, listen to their teachers, and respect the rules that guide them during the day while at the program. For their safety children must remain with the group and staff at all times. During the day children need to take care of materials and equipment properly and return them to their place when done or before taking out new ones. Children will refrain from using profanity or discussing inappropriate subject matter as deemed by the church staff. By following these rules, parents can feel good about where their child is spending their time and child can feel safe and secure in a structured environment.

Reasonable efforts will be made to assist children to adjust to the program setting. Disruptive behavior will be dealt with in the following manner:

- a. brief cool down periods
- b. behavior report/talk with parent
- c. visit with director in director's office, conversation with parent
- d. child faces removal from the program

Please sign below if you and your child understand and agree to the behavior expectations at Northminster Learning Center.
