

DO THIS

MORNING TIME

Write on a sticky note and post it on your child's school folder, "Find a task that needs to be done in school today and go for it! You rock!"

DRIVE TIME

Make a special trip to grab some ice cream or Starbucks and tell your child you are going to celebrate! What are we celebrating? Ask them to think about what God has done this week in their life and talk about it while enjoying your special dessert. If they have a hard time thinking of an idea, prompt them with something you have seen!

MEAL TIME

Q & A for kids: What is something you never seem to see that needs to be done? (e.g., dirty clothes on the floor) (*Hint: Your parent probably knows the answer to this if you don't.*)  
Q & A for parents: Are you more distracted by people, technology or other tasks when it comes to finishing a job?

BED TIME

Read Nehemiah 2:11-18. Brainstorm some things you've seen that need to be done that your family could do together. Maybe it's inviting a new family in the neighborhood for dinner, or cleaning up the trash in an empty lot. Then, don't wait for someone else to do it. Instead, plan a time this week for your family to jump into action. Pray together and ask God to help you follow through.
