

What can I do to support orphan and foster kids in my community?

[Visit teenCloset.org](http://teencloset.org)

- Donate either clothes or money
- Volunteer in the store organizing and folding clothes
- Help with fundraising or outreach

[Visit EmbraceEasternWashington.org](http://EmbraceEasternWashington.org)

- Become an Office Mom or Dad: care for, sit with and entertain children who've recently been removed from their home. Their time at the DSHS child welfare office can be full of anxiety and uncertainty as they wait for their social worker to find a suitable placement.
- Donate \$20 to pay for a special duffel bag; Embrace WA's goal is to eliminate the use of black trash bags to transport a child's belongings within the child welfare system.

[Support A Child's Hope Spokane](#)

- Your small group/life group can pool together and have a yard sale and donate the money to A Child's Hope Spokane (formerly Antioch Adoptions)
