About the Disciples Mission Fund

Disciples Mission Fund is the common fund of the Christian Church (Disciples of Christ). Disciples Mission Fund supports 72 ministries of wholeness as close as your local congregation and reaching around the globe. As a Global Mission church, we understand that equipping congregations for mission includes learning from, learning with and offer support our partners beyond the borders of the United States and Canada.

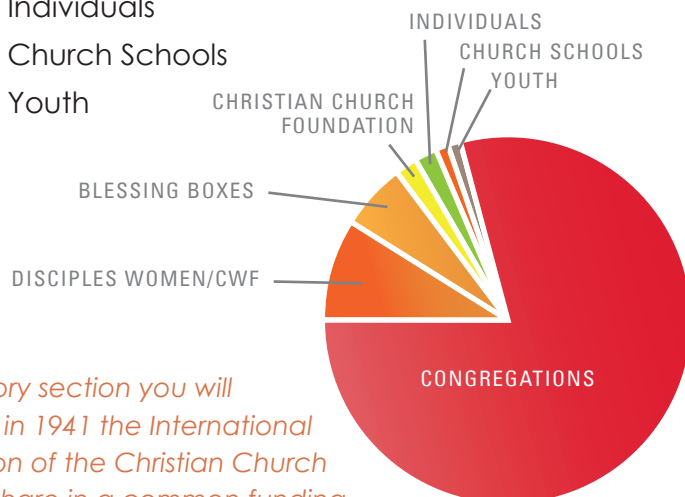

Using a Common Funding System

As a movement for wholeness in a fragmented world, we use a common funding system to all congregations to share resources with one part of the churches ministry that are then shared across the life of the church.

The mission funding system, as overseen by the General Board, is a pre-allocated means of offering gifts in support of region ministries, general ministries, and institutions of higher education. The mission funding system allows the church to partner together for promotion and interpretation and the receipting and distributing of gifts.

Where the gifts come from:

- 81.21% - Congregations
- 8.85% - Disciples Women/CWF
- 6.70% - Christian Church Foundation
- 1.59% - Blessing Boxes
- 1.58% - Individuals
- .045% - Church Schools
- .025% - Youth

In our history section you will learn that in 1941 the International Convention of the Christian Church voted to share in a common funding system. Each congregation agreed to give ten (10%) percent of their local operating receipts to the church and each General Ministry agreed to not raise funds directly from the congregations.

How the Gifts are Distributed:

- 47.8% - Regional Ministries
- 35.6% - General Ministries
- 8.9% - Higher Education Institutions
- 6.2% - Office of General Minister & President
- 1.5% - Other Ministries
