

Happy March!

We just finished an amazing February! Students got a week of snow and a week of vacation and we watched movies, had the cafe open and hiked Moran State Park.

This month we will be continuing our series on the Gospel of John as we prepare for Easter in the coming months. Please be aware we will **not** be meeting our regular times for Wed Night Live on **March 6th**. We will not have dinner that evening but instead will be meeting at 5:30 and then attending the Ash Wed Service from 6-7pm. Please make ride and food accommodations for this night ahead of time.

We currently have [opened registration](#) for our summer mission trip. A deposit of \$25 per person is required to secure a spot. The **Summer Mission Trip is from July 13th-20th on the Lummi Reservation.**

Our **Spring Break Stay-Treat** (Spiritual Retreat) is Wed and Thursday **April 24th and 25th**. Please [sign up](#) your student here so we can plan for the right number of students. This retreat

will be a technology free, spiritual reflection through silence and solitude so prepare your student accordingly.

Don't forget that **Summer Camp 2019 is the week of June 24th** and keep an eye on the [website](#) for more exciting information and watch our [promo video](#) to get your High School (or current 8th grader) excited about camp.

Another future date to be looking forward to is **Saturday, April 13th**. The youth will be serving our community through the **Moran Park Clean Up Day**. Meet at the church by 9am.

I have had several people express interest in a Parent Small Group. If you are interested in going through the book, "[The Grown-Ups Guide to Human Peoples](#)" Please fill out [this form](#) with possible times that would be ideal for you to meet weekly to go through this study.

There are also hard copies of the sign up forms in the office that are available if you don't have computer access. Thanks again and it is a blessing to work with your students.
