What Makes The **Resource Exchange** Different?

We believe that YOU have a unique story to tell! YOU have family and friends who love You. YOU have God-given talents and a name that is distinctively yours. YOU are a ‘Somebody’ and YOU matter to God. The reason you have value is because of what God says about YOU, not because of what others say about you.

We want to get to know YOU better! During distribution time, we are asking everyone to wear a name tag; volunteers and clients. This name tag will become your Seeds of Grace Distribution Day Pass. Be sure to turn in your nametag each time you visit. This will make it easier for you to partner with us in our two-way Resource Exchange option.

We offer two-way giving. Two-way giving happens when two or more parties share resources for the mutual, social and economic benefit of one another. This cooperative effort becomes a legitimate ‘give and take’ relationship. We have found that two-way giving, when done right, can be more compassionate and healthier for all parties involved; those receiving resources and for those giving them. We regularly offer clients opportunities to participate in two-way giving.

On about your 5th visit, you will be asked and invited to:

- 1 Join us at a ‘Pack & Sort’ time where a variety of Resource Exchange tasks will be completed in a team environment.

OR

- 2 Sign up to chat with a Resource Exchange Consultant.

An array of services are available to you, those that go beyond our weekly Resource Exchange and food distribution days. We have Resource Exchange Consultants who are available to help match your needs with a variety of community resources including: Free resume services, budgeting tools, various life skills classes, Biblical counsel (when requested) and more. We also offer limited one-way giving when temporary or one-time relief efforts are deemed a necessity. We look forward to meeting with you soon!

We look forward to meeting with you soon!
